SECRET/RYBAT

6 July 1965

Dear [ ]

I was approached sometime ago by Jim McCargar on the question of his proposed book on Hungary. I knew that Mr. Frank Wisner interested himself particularly in such matters and I thought it best to raise the matter with him before doing anything more officially. Now I hear that Frank is ill and probably out of the running at the moment. I am therefore attaching various pieces of correspondence so that we can discuss this subject while I am in Washington.

Attached are:

- (a) My letter to Frank Wisner of 19 March 1965.
- (b) Mr. Wisner's response of 24 March 1965.
- (c) My letter to McCargar of 30 March 1965.
- (d) McCargar's letter to me of 5 April 1965.
- (e) McCargar's list of requirements which finally came to me with a note dated 22 June 1965.

McCargar got in touch with me on 2 July after his return from Italy. He noted his intention to go to the States sometime in August. I am sending all these papers so that they will be available when I see you on the 19th or 20th of July and I'll see if we can place this matter with the right people.

I am looking forward to getting on that boat on the 8th of July and I mentally have one foot on the gangplank right now.

B4st wishes,

[ ]
